1. ASSIGNMENT OF INSURANCE BENEFITS/PROMISE TO PAY:

I hereby assign and authorize payment directly to ADVANCED PRACTICE NURSING SPECIALISTS (APNS), and to any APNS providers, all insurance benefits, sick benefits, injury benefits due because of liability of a third-party, or proceeds of all claims resulting from the liability of a third party, payable by any party, organization, et cetera, to or for the patient unless the account for APNS, outpatient visit or series of outpatient visits is paid in full upon discharge or upon completion of the outpatient series. If eligible for Medicare, I request Medicare services and benefits. I further agree that this assignment will not be withdrawn or voided at any time until the account is paid in full. I understand that I am responsible for any charges not covered by my insurance company.

I understand that I am obligated to pay the account of APNS in accordance with the regular rates and terms of APNS. If I fail to make payment when due and the account becomes delinquent or is turned over to a collection agency or an attorney for collection, I agree to pay all collection agency fees, court costs and attorney's fees. I also agree that any patient or guarantor overpayments on the above APNS visit may be applied directly to any delinquent account for which I or my guarantor is legally responsible at the time of the collection of the overpayment. I consent for APNS to appeal on my behalf any denial for reimbursement, coverage, or payment for services or care provided to me.

2. PATIENT CONSENT FOR E-PRESCRIBING (ELECTRONIC PRESCRIBING):

I have been made aware and understand that the medical practices and offices may use an electronic prescription system, which allows prescriptions and related information to be electronically sent between my providers and my pharmacy. I give my consent to my providers to see this protected health information. I have been provided the Electronic Prescribing Notice included in the Notice of Privacy Practices.

3. NOTICE OF PRIVACY PRACTICES:

Required pursuant to Health Insurance Portability and Accountability Act of 1996 (HIPAA), I acknowledge that I have received a copy of APNS's Notice of Privacy Practices. I hereby consent to the use and disclosure of my protected health information as described in the Notice of Privacy Practices. This will include all of my protected health information generated during hospitalization and outpatient treatment at APNS, including but not limited to treatment for mental health, drug and alcohol abuse, communicable diseases such as HIV/AIDS, developmental disabilities, genetic testing, and other types of treatment received.

4. GENERAL CONSENT FOR TESTS, TREATMENTS, AND SERVICES:

I agree and understand that all providers involved in my care in any way are responsible and liable for their own acts and omissions, and APNS is not responsible or liable for the acts or omissions of the aforementioned. Independent contractors, who are not employed by APNS, may perform services. I am aware that the practice of medicine is not an exact science and further understand that no guarantee has been or can be made as to the results of the treatments, care, diagnostics, or examinations at APNS. I have been informed of the treatment procedures considered necessary for me and that the treatments/procedures will be directed by a provider and may be performed by such provider and/or one or more additional providers, nurses, staff and employees of APNS. I understand that one or more providers, fellows, residents, and/or interns at APNS may treat me or participate in my treatment. I understand that no guarantee or assurance has been made regarding (1) which providers and/or fellows, residents, or interns will treat me or participate in my treatment and/or (2) the results that may be obtained from treatment.
